**Conversion to Inches**

The total score as determined from this formula yields a **TGR Composite Score** in inches. This composite score **will not** be recorded as the official **Net Score** into the TGR Record Book.

( \_\_\_\_\_ ÷ 2.54 in. = \_\_\_\_\_ ) + \_\_\_\_\_

TGR Net Score                  TGR Net Score (inches)                  Inside Width (inches)

= \_\_\_\_\_ **TGR Composite Score**

Trophy Game Records of the World is not responsible for incorrect information as stated on the above score sheet. The information as submitted to TGR is the sole responsibility of the Tropaeologist and the Hunter.

The Trophy Game Records' Big Buck Contest has three (3) main divisions, Open Division, High Fence Division and Low Fence Division, for adults and youth. For all other divisions, categories, RULES & REGULATIONS, visit [www.tgrbigbuckcontest.com](http://www.tgrbigbuckcontest.com). Listed below are the definitions for these 3 main divisions.

- A. **Open Division:** Includes all bucks that have been in a controlled breeding program (i.e., pen raised and requiring permits by mandate of Texas Parks & Wildlife) which are then released and harvested. All bucks that have an identifiable tag hole or State ID tattoo in their ear, will be placed into this division. Any bucks that are presented at a scoring station without the attached cape to the head or a buck that is presented with the antlers only (skull cap with antlers or skull and antlers) will automatically be placed into the Open Division.
- B. **High Fence Division:** Includes all bucks/does that were harvested behind high fence/deer proof fencing that COMPLETELY surrounds the perimeters of the acreage. No “open released”, tagged or tattooed deer will be allowed into this category.
- C. **Low Fence Division:** Includes all bucks/does that were harvested behind low fence. This acreage must not have high fence or deer proof fencing that COMPLETELY surrounds the perimeter. No “pen released”, tagged or tattooed deer will be allowed into this category.
