To the best of my knowledge, the animal that I have registered was taken without violating the wildlife laws or ethical hunting practices of the country, state, or province in which I hunted and was harvested legally.

The Trophy Game Records' Big Buck Contest has three (3) main divisions, Open Division, High Fence Division, and Low Fence Division, for adults and youth. For all divisions, categories, RULES & REGULATIONS, visit www.tgrbigbuckcontest.com. Listed below are the definitions for these:

- A. Open Division:** Includes all bucks that have been in a controlled breeding program (i.e., pen raised and requiring permits by mandate of Texas Parks & Wildlife) which are then released and harvested. All bucks that have an identifiable tag hole or State ID tattoo in their ear, will be placed into this division. Any bucks that are presented at a scoring station without the attached cape to the head or a buck that is presented with the antlers only (skull cap with antlers or skull and antlers) will automatically be placed into the Open Division.
- B. High Fence Division:** Includes all bucks that were harvested behind high fence/deer proof fencing that COMPLETELY surrounds the perimeters of the acreage. No "open released", tagged or tattooed deer will be allowed into this category.
- C. Low Fence Division:** Includes all bucks that were harvested behind low fence. This acreage must not have high fence or deer proof fencing that COMPLETELY surrounds the perimeter. No "pen released", tagged or tattooed deer will be allowed into this category.
